

Make up Guidelines:

Make up is part of the costume when performing on stage. Theater lights are very bright and wash out facial features and expressions. The following are our recommendations based on dance class/age levels.

Pre K and K1: pink lipstick, light blush

Primary: pink lipstick, blush, mascara

Junior: pink lipstick, blush, dark eyeliner, mascara

Teen & Company: red lipstick, blush, dark eyeliner, mascara

For picture day, face powder will reduce shine in the photos.
Recommended for all ages.

*** Please slick hair back for ponytails and buns with hairspray/gel and secure all headpieces with hair pins crossing in an 'X' ***
